American Institute of Beamed Energy Propulsion

Please give the complete mailing address at which you would like to receive AIBEP Welcome Package and all further correspondence from AIBEP

American Institute of Beamed Energy Propulsion

Make yourself a lifetime member and be one step closer to the future of space propulsion. Future increases in dues will not affect your membership, while you will receive same benefits and services as a regular AIBEP associate. You can pay Lifetime membership fee in full, or choose from the following payment options:

- mark here, if you are paying in two annual installments of \$490.
- mark here, if you are paying in four semi-annual installments of \$245.
- mark here, if you are paying in eight quarto-annual installments of \$122.50.

American Institute of Beamed Energy Propulsion

Your voluntary contribution will be used for furthering of the goals of the Institute: AIBEP is nonprofit organization exempt from taxation under Article 501(c)(3) of Internal Revenue Code. Membership dues and voluntary contributions are deductible as charitable contributions. The tax-deductible amount will be shown in the receipt which you will receive from us.

American Institute of Beamed Energy Propulsion

If you are feeling uncomfortable about sending your card data with this form, you can fill this line with the letter code of your choice and then send card number in separate message, give it by phone or mail or fax it separately. Alternatively, you can pay on-line via Pay Pal secure server – in this case leave these lines blank.
